27 JUL 1959

✓ 7. In the current issue of LIFE there is a proposal for a peace ship about which [] had telephoned the Director. Apparently, the Director did not think much of this but did request that Legislative Counsel keep a watch on this for any activities in the Congress. STAT

8. [] OCR, called to advise that an ICA cable indicated that the following members of Congress will be visiting the exhibition in Moscow when Congress adjourns: STAT

Senator Hubert H. Humphrey (D., Minn.)
Senator Hugh Scott (R., Pa.)
Representative Frank T. Bow (R., Ohio)
Representative Prince H. Preston (D., Ga.)

Also: Jay B. Howe, House Committee on Appropriations

9. David B. Carper, House Legislative Counsel's office, called to ask whether CIA had authority to pay an allowance for water under cost-of-living allowances. He was advised that our authority in the CIA Act incorporated by reference section 901 of the Foreign Service Act, which presently allows payment of such an allowance and that we are currently authorizing water allowances.
